

HOW DO I CHECK MY RESIDENCY CLASSIFICATION FOR TUITION PURPOSES?

This information is located in your **Student Center**.

If your residency is classified as “Out of State,” you will be charged nonresident tuition fees when you register for classes.

If you believe you qualify for “In State” residency classification, you may complete the **RESIDENCY FORM** on the **Office of the Registrar’s** webpage: <https://nsc.edu/current-students/office-of-the-registrar/#Residency>

- 1) From your **Student Center**, click on **DEMOGRAPHIC DATA** in the **Personal Information** section.

- 2) Under **RESIDENCY STATUS**, be sure to view the correct **Institution** and **Effective Term**.
