WESTERN UNDERGRADUATE EXCHANGE PROGRAM (WUE)

The Western Undergraduate Exchange (WUE) is a program of the Western Interstate Commission of Higher Education (WICHE). Through WUE, students in the western states may enroll in many two-year and four-year college degree programs at a reduced tuition level: 150 percent of the institution’s regular resident tuition. WUE tuition is considerably less than nonresident tuition.

The following states and territories participate in the WUE program along with Nevada:

- Alaska • Arizona • California • Colorado • Hawai’i • Idaho • Montana • New Mexico
- North Dakota • Oregon • South Dakota • Utah • Washington • Wyoming
- Commonwealth of Northern Marianas Islands and Guam

- **Only NEWLY admitted students who are in a degree-seeking** program are eligible to apply.
- The WUE application process must be completed before the student is in attendance at Nevada State.
- Applicants must be a high school graduate from an approved WUE state **OR** have maintained a legal bona fide resident status as a financially dependent/independent* person in an approved WUE state for at least 12 months prior to the first day of the term of attendance. **Students under the age of 24 on the first day of the term are required to provide student/parent/guardian tax returns to prove financial status.*
